EASTERN DISTRICT OF MICHIGAN
SOUTHERN DIVISION**

IN RE:

M.T.G., INC., d/b/a MATRIX
TECHNOLOGIES GROUP,

Debtor.

Case No.: 95-48268-TJT
Chapter 7
Hon. Thomas J. Tucker

GUY C. VINING, as the Trustee for the
Chapter 7 Estate of M.T.G., Inc.

Plaintiff,

v.

Adv. No. 03-04950

COMERICA BANK, ET AL.,

Defendants.

**ORDER *DENYING* THE TAUNT DEFENDANTS' APRIL 1, 2010 MOTION FOR EX
PARTE ORDER ALLOWING TAUNT DEFENDANTS TO RESPOND TO SECOND
SUPPLEMENT TO TRUSTEE'S MOTION TO COMPEL AGAINST COMERICA BANK
[ETC.](DOCKET # 443)**

This adversary proceeding is before the Court on the ex parte motion filed by the Taunt Defendants on April 1, 2010, entitled "[Taunt Defendants'] Motion for Ex-Parte Order Allowing Taunt Defendants to Respond to Second Supplement to Trustee's Motion to Compel as to Comerica . . . and Trustee's Reply to Comerica's Response to Second Supplement . . ." (Docket # 443, the "Ex Parte Motion"). The Court concludes that a hearing on the Ex Parte Motion is not necessary, and that the motion should be denied.

The Court concludes that the Ex Parte Motion does not demonstrate good cause

for the relief requested. The Court does not expect or intend to enter relief against, or that will directly bind, the Taunt Defendants, in further rulings the Court will make on the Plaintiff Trustee's motion to compel against Comerica Bank, which is what the Plaintiff's "Second Supplement . . ." and related reply properly concern. Accordingly,

IT IS ORDERED that the Ex Parte Motion (Docket # 443) is denied.

Signed on April 02, 2010
